SCIENTIFIC COMPUTING ASSOCIATES, INC. AND  
REVOLUTION COMPUTING, INC.'S MOTION FOR EXTENSION OF TIME**

Pursuant to Fed. R. Civ. P. 6(b), Scientific Computing Associates, Inc. and REvolution Computing, Inc. (“Plaintiffs”) respectfully move that the Court grant a 30-day extension of time up to and including January 4, 2010, to answer and/or object to the November 2, 2009 discovery requests served by defendant University of Rochester Medical Center (“URMC”).

On November 9, 2009, the Magistrate Judge issued an Order directing Plaintiffs to submit a settlement demand by November 16, 2009, and directing defendants to submit their responses by November 23, 2009. UPMC has requested additional time to respond, which has been granted, and the parties are currently exploring the possibility of settlement. UPMC does not object to the granting of this motion.
